# Message from Collin Daniel, Head Golf Professional

The snow is finally gone! What a cold month January was for golfers everywhere. I don't know about you all but I am glad the course is finally open after a snowy few weeks. With the course finally being open and good weather on the horizon also means a few other things to remember. First, the first tournament of the year will be the Glenrochie Masters which will be the 13<sup>th</sup> and 14<sup>th</sup> of April. Which will then be followed up by the pre-season kick off scramble the following weekend on the 20<sup>th</sup>. Sign ups for both events will be in the pro shop. Lastly, with warmer weather means its time for a new look on the golf course! Expect a wide array of inventory to be coming into the pro shop this month. So make sure to stop by the pro shop this month!

## Reminders:

- \* Expect frost delays going forward and always check in the pro shop before play.
- \* Denims are allowed on the golf course from November-March.
- \* Fivesomes are allowed starting in November. Please be courteous and allow faster players the right to play through.
- \* Please repair all ball marks and replace all divots.
- \* Please rake all foot prints in the bunkers and leave the rakes in the bunkers after play.

A vertical menu card for Valentine's Dinner. The background is a deep red color with a decorative border of small, multi-colored lights (red, green, yellow) and large red roses. The text is centered and uses a mix of white and gold fonts. The main title 'VALENTINE'S DINNER' is in large, bold, white capital letters. Below it, the date, time, price, and RSVP information are in a smaller white font. The menu items are organized into three sections: Starters, Entree, and Dessert, each with a gold banner header and white text descriptions. The overall aesthetic is romantic and festive.
